The screenshot shows the Practice software interface with several data tables and graphs. The top left displays a large digital clock showing 23:06:07. Below it are menu tabs for 'メイン', 'ベストラップ', '温度', '通信', and 'ノイズ'. The main area is divided into three sections: a Driver List table on the left, a Run List table in the middle, and a LAP List table on the right. Two line graphs are positioned above the Run List and LAP List tables. The Run Graph shows two lines: a blue line for 'ベストラップ' (Best Lap) and an orange line for 'アベレージ' (Average). The LAP Graph shows a blue line for 'ラップタイム' (Lap Time). Callout boxes provide additional information: '自分の名前をクリック' (Click your name) points to a driver's name in the Driver List; '走行中のクルマは"R"' (The car in progress is "R") points to the 'R' column in the Run List; 'ベストラップ(黄色)' (Best Lap (Yellow)) points to a yellow cell in the Run List; and '青:ラップタイム' (Blue: Lap Time) points to a blue cell in the LAP List.
